Real Solutions for Berkeley Schools

# ZONDA POWELL: Ready to work for SOLUTIONS for Berkeley Schools.

**BUSINESS AND COMMUNITY LEADERSHIP:** Zonda Powell has experience with maintaining and operating businesses within a specified budget, as well as using financial analysis and problem solving to find and fix problems. She is also active in community organizations, church activities and several charities. From this, she knows how to make the most of every dollar and how to ensure the most effective return for our tax dollars.

As our next school board representative, Zonda will work to ensure we are getting real education results from our tax dollars.

**COMMON-SENSE CONSERVATIVE VALUES:** Zonda Powell is a hard-working leader who has worked to help elect common-sense local leaders such as Congressman Henry Brown, and State Senators Larry Grooms and Paul Campbell. As a fiscal conservative, she will work to make sure our schools are operated more effectively, and run more like a business - no excuses and no cover-ups. As a parent and grandparent, she'll expect RESULTS from our schools.

Zonda believes our schools must provide safe and secure learning environments for our children, teachers and other members of the educational community. To do this, standards of student behavior must be enforced as well as academic standards.

**RESPONSIVE CONSTITUENT SERVICE:** Zonda Powell knows your concerns are important and will put your concerns FIRST on the school board. You can contact her anytime with your concerns.
